

## ***“The Bible In Your Back Yard”***

A Bible Scavenger Hunt  
Steve & Cora Alley

### **Directions:**

God likes to use the stuff He created to teach us more about Him and about life! You are going to search for some of those things during this fun “scavenger hunt.”

**First**, find the verses listed below, read them, and look for something you might find outside. **Second**, put the word in the space beside the verse. **Third**, read the instructions for the thing you’re looking for (follow the directions exactly! If you don’t you will not get credit for that thing.) **Fourth**, (after all the words are filled in) take your baggie and go get the stuff you are looking for. **Fifth**, when you have collected all the stuff, come back and the judges will see who wins.
